

SAFETY DATA SHEET

info@deffner-johann.de | +49 (0)9723 9350-0

Die in diesem Produktdatenblatt genannten Spezifikationen dienen nur zur Produktbeschreibung und beziehen sich auf den Zeitpunkt unmittelbar nach der Produktion bzw. Import des Produktes. Sie entsprechen den Angaben des Herstellers. Eine rechtsverbindliche Zusicherung bestimmter Eigenschaften oder der Eignung für einen bestimmten Einsatzzweck kann hieraus nicht abgeleitet werden. Durch unsachgemäßen Transport und / oder unsachgemäße Lagerung können sich Änderungen ergeben. Die Angaben in diesem Produktdatenblatt entbinden den Verarbeiter nicht von eigener Prüfung der Eigenschaften des Produktes und dessen Eignung für die vorgesehene Verwendung.

1.1. Product identifier Cochenillerot 1.2. Relevant identified uses of the substance or mixture and uses advised against Use of the substance/preparation Colourat 1.3. 	utiously with water for several minu dical advice immediately.	utes. Remove contact lenses, if present	and easy to do. Continue rinsing.				
After inges Rinse mo		a physician immediately and show him t	he Safety Data Sheet.				
	personal protective measures w r: Pay attention to self-protection!	hen giving first aid					
4.2. Most in	mportant symptoms and effects,	, both acute and delayed					
Until now	no symptoms known so far.						
4.3. Indicati	ion of any immediate medical at	ttention and special treatment needed	d				
	ne physician / treatment nptomatically						
ECTION 5: Fi	irefighting measures						
5.1. Extingu	uishing media						
	xtinguishing media ray jet, Foam						
Non suitab	le extinguishing media r jet, Carbon dioxide						
5.2. Special	Il hazards arising from the subst	tance or mixture					
		ased: Sulphur oxides; Carbon monoxide ritant and harmful combustion products.					
5.3. Advice	e for firefighters						
	Ditective equipment for fire-fighti contained breathing apparatus. We						
Other infor Fire reside		water must be disposed of in accordan	ce with the local regulations.				
ECTION 6: A	ccidental release measures						
6.1. Person	al precautions, protective equir	oment and emergency procedures					
Avoid dus ventilatior	st formation. Do not inhale dust. Us	se breathing apparatus if exposed to va age/spillage of product. Use personal pr					
6.2. Enviror	nmental precautions						
	scharge into the drains/surface wa ninated wash water.	ters/groundwater. Do not discharge into	the subsoil/soil. Retain and dispose				
6.3. Method	ds and material for containment	and cleaning up					
Avoid rais	sing dust. Pick up mechanically. W	hen picked up, treat material as prescril	bed under Section 13 "Disposal".				
6.4. Referei	nce to other sections						
	on regarding Safe handling, see Se on regarding waste disposal, see S	ection 7. Information regarding personal Section 13.	protective measures, see Section 8				
ECTION 7: Ha	andling and storage						
7.1. Precau	itions for safe handling						
Avoid the Handle ar apparatus	nd open container with care. Provi s when transferring large quantities	Provide exhaust ventilation if dust is for de suitable exhaust ventilation at the pro s without exhaust ventilation facilities. If icular job must be worn. Observe the us	ocessing machines. Use breathing workplace limits are exceeded, a				

Advice on protection against fire and explosion Avoid dust formation. Take action to prevent static discharges. Earthing necessary during loading operations. Keep away from sources of heat and ignition. Dust can form an explosive mixture with air. Do not smoke.
